

The organizations listed above wish to invite you to the
presentation of the 2016 UNIDO Industrial Development Report

on Wednesday, December 2nd, 6:30 pm

at the OeEB (Austrian Development Bank) „Reitersaal“
Strauchgasse 3, 1010 Wien

After opening remarks by *Andrea Hagmann*, member of the executive board of the OeEB , the 2016 Industrial Development Report will be presented by

Li Yong, UNIDO Director General

The report – the UNIDO flagship publication – deals with *The role of technology and innovation in inclusive and sustainable industrial development“*.

Comments on the report will come from a panel composed by:

Peter Launsky-Tieffenthal, head of the section for development cooperation at the Austrian Federal Ministry for Europe, Integration and Foreign Affairs,

Martina Neuwirth, expert for development economics at the VIDC – the Vienna Institute for International Dialogue and Cooperation

Werner Raza, Director of ÖFSE – the Austrian Foundation for Development Research

Discussions among the panelists and with the audience will be moderated by the CNN journalist *Todd Benjamin*

Snacks and drinks will be offered after the event

As space at the „Reitersaal“ is limited to a maximum of 110 persons, we would ask you to **register your participation** under office@oefse.at, and do so **by November 24th at the latest**. When registering, UNIDO staff members and participants at the UNIDO General Conference should add an indication of their function next to their names.
